Leading APAC Telcom Operator Strengthens Ties with Subex via Strategic 5-Year Upgrade

Bengaluru, India [Oct 10, 2025]: Subex, a global leader in AI-driven telecom solutions, today announced that it has secured a deal with a leading Asia-Pacific communications service provider (CSP) for a period of five years.

The engagement is an upgrade and will enhance the operator's Revenue Assurance and Fraud Management (RAFM) capabilities through Subex's HyperSense platform. The enhanced capability will enable the CSP to **further strengthen revenue protection, combat fraud more efficiently, and unlock recurring value** as digital economies scale.

Commenting on the upgrade, Nisha Dutt, MD & CEO, Subex, said:

"We are thrilled to deepen our strategic partnership with one of the region's most prominent operators. This is a strong vote of confidence in our solutions and managed services, reinforcing our shared commitment to enabling scale, speed, and operational excellence."

"By combining a focused roadmap with close collaboration, we'll continue to deliver the kind of reliability and outcomes that customers value and reward."

This upgrade underscores Subex's continued leadership in providing trusted, digital solutions to global telecom operators, reinforcing its role as a partner of choice for safeguarding revenues and ensuring operational resilience.
